

# May 2024 News

Dear TRM Families,

We hope this newsletter finds you well and in good spirits. April was a busy month filled with exciting events and learning experiences for our students. Our classrooms have been productive, with students fully engaged in working with Montessori materials, participating in reading buddy programs, conducting science experiments, and completing various project works. It has been a joy to see our students grow and thrive in such a supportive and stimulating environment.

As we transition into the month of May, we are pleased to share that our school calendar is just as busy.

We know that time flies by quickly, and we encourage all families to stay up to date with all that is happening at TRM. We appreciate your continued trust and support as a community.
